

**Essex County 4-H Environmental  
Steward Summer Program @  
Rutgers campus, 162 Washington  
street, Newark**

**Recruiting all youth going into  
grades 5-8!**

**Do you want to know why our planet is getting warmer? Do you wonder how scientists can prove that climate change is happening? Do you know how you can help conserve our environment?**

**Join Essex County 4-H to learn more!**

**Fridays 9:00am-12:00**  
**7/19, 7/27, 8/2, 8/9, 8/16, 8/23**

Each week youth will participate in hands on science experiments and activities to learn about the causes, impacts, and solutions to climate change. Youth will help maintain the garden at the Newark Museum to learn how local gardening can help initiate positive impact on our earth.

Youth will receive an Environmental Steward certificate at the end of the program!

\$100 fee for six week program. Snacks included. Scholarships available.
